PROFESSIONAL SUMMARY

Proactive and enthusiastic aspiring software developer with a foundation in Java, Python, C, and JavaScript. Eager to explore a wide range of technologies and contribute to the development of web applications, software tools, and data-driven solutions. Dedicated to enhancing skills in application design, solving complex problems, and understanding scalable system architecture. Collaborated effectively with teams to deliver innovative solutions, while continuously expanding my technical skills.

SKILLS

- **Frontend:** HTML, CSS, JavaScript, Bootstrap.

- **Backend:** Django, Node.js, REST APIs.

- **Databases:** MongoDB, MySQL.

- **Languages:** Java, C, Python.

- **Tools:** Git, GitHub, VS Code.

PROJECTS

- **Personal Portfolio Website**
  HTML, CSS, JavaScript
- Designed and developed a responsive personal portfolio website to showcase my skills, projects, and contact information. The site is built using HTML, CSS, and JavaScript, follows modern UI/UX principles.

- **Blood Bank Management System**
  Full-Stack Project — Django, HTML/CSS, JS, Bootstrap, SQLite
- Engineered a full-stack web application for donor registration, blood inventory, and search functionality.

- Designed and implemented a responsive UI with Bootstrap and integrated it using Django templates.

- Integrated secure authentication with role-based access, and analytics dashboards.

- Handled backend operations and database management using Django ORM and SQLite. [GitHub Link]

INTERNSHIP

- **Ayud Software, Bengaluru**   Mar 2023 – Jun 2023
  Full-Stack Development Intern (Django)
- Engineered scalable web applications using Django framework, focusing on scalable backend APIs and secure user authentication.

- Created dynamic and responsive user interfaces integrated with Django views using HTML, CSS, JavaScript.

- Collaborated with a team to debug issues, optimize performance, and implement new features.

- Utilized Git for version control and collaborated with team members through GitHub for code management and reviews.

EDUCATION

- **Nitte Meenakshi Institute of Technology, Bengaluru**   2023 – Present
  B.E. in Computer Science and Engineering   *CGPA: 8.53*
- **Govt Polytechnic, Raichur**   2020 – 2023
  Diploma in Computer Science and Engineering   *CGPA: 8.83*

INTERESTS AND HOBBIES

- Interested in exploring new technologies, learning programming languages, solving coding challenges, and continuously improving my skills through hands-on projects and learning opportunities.
